

Rome, 09/05/06

The undersigned, Dr. Jamal Salhi, medical director of a specialist clinic located in V. le Regina Margherita 232, Rome wishes to testify of his positive experiences with the Andropenis.

I have treated my patients with Andropenis for many years, for this very reason I am capable of testifying to its absolute reliability, safety, efficiency and ease of use.

It is an extremely effective product for overcoming the size problem, which can be prescribed without reservation as a standalone therapy as well as a post-surgical therapy to optimize the results of the surgery itself.

Best regards

Dr. J. Salhi
